

Indigenous Wellbeing

How will you honor your mind, body, spirit, community, and relationship with the earth in the new year?
Nithë wa zhetthkéyen?

How will you honor and take care of the earth?

What are you looking for in your relationships with others?
How do you want to show up for others?

*"Nithë wa zhetthkéyen?" means "What are you going to do? What will you do?" in Potawatomi
